Fall 2010

Greetings from Lake Paradise Resort!

We wanted to take this opportunity to thank all of our valued guests for what has proven to be a wonderful season. Without you, we know that our park would be just another campground! We value all of you that have taken the opportunity to visit us this season and look forward to spending Labor Day with you. Please come and join us for great food (from the Paradise Grill), fun (swimming, putt putt golf, and games/activities for all ages) and fabulous entertainment (the band "Vantage Point").

Change, Change, Change...

As all of you are aware, many changes took place over this season. We finalized the purchase of the Resort in late January 2010 and as soon as "Mother Nature" allowed us, we began work on infrastructure (i.e. roads, electricity, water and sewer). Although much additional work is needed, we at Lake Paradise Resort, believe a great deal was accomplished in a very short period of time.

In recent weeks, major overhaul of the pool was required due to two pumps going out at the same time....what luck! We have now remedied the problem by bringing back the original pool installation company to ensure that all required maintenance of the pool is being accomplished now, and in the future. Join us for a swim, because weather permitting, and continued use, will allow us to maintain the operation of the pool through September. Please watch our blog for future pool details.

Fall & Winter Camping- Join us for the upcoming season:

We have reserved approximately 40 sites for the adventurous fall/winter camper....sites are filling up fast to watch the leaves change and enjoy the beauty of our Resort during this wonderful time. Please email the Reservation Department at lprreservations@lakeparadiseresort.com.

Storage....

By 5:00 p.m. on October 31, 2010 all rigs must be moved off of all sites. If you have not paid your storage and would like to utilize our facility, please review the website at lakeparadiseresort.com for storage rates. Sites are limited so please contact the Resort as soon as possible to obtain your storage for the winter.

Workampers....Thank you.. We want you back!!

First and foremost, thank you to our wonderful staff of workampers that have graciously assisted us this year. We know that we could not have made it through the year without your dedication to the Resort. . We want each and every one of you to know that we are currently in the process of developing a new and improved workamper program which will be maintained by our new Workamper Recruiter, Nancy Kruse. Please email Nancy with any questions relative to winter workamping and the 2011 season...we have a whole new outlook on our workamper program and look forward to sharing our new vision with each of you! Please email nkruse@lakeparadiseresort.com.

Charter Member Corner...

For 2011, if you intend to utilize the Resort, your fee for 40 nights will be \$600.00 (per our contract). We have decided to offer a special promotion for any charter member wishing to purchase their 2011 package by 9/15/10. We are offering to reduce the rate by 10%. Please contact the Resort for details. Financing will also be available for 2011 for qualified applicants.

Recent Staff Changes: Join us in welcoming our new staff. If you see them on the park, please thank them for all their hard work:

Director/Guest Service:	Monty Essemann
Director/ Park Operations:	LJ Renner
Director/Public Safety:	Bill Lance
Director/Workamper Recruiting:	Nancy Kruse

For further information please join us on Facebook or visit our website at lakeparadiseresort.com. We can't wait to make memories with you!!!
